

Le Chéile Secondary School

Inspiring and Supporting School Leaders • Ar aghaidh le chéile

Le Chéile Secondary School and NAPD will present an active Technology Enhanced Learning experience for delegates to view and ask questions during Thursday's schedule.

An opportunity for delegates to see and experience what a contemporary, innovative learning and teaching environment looks like when supported with mobile technology. Students will work 'live' on real-world projects in the interactive classroom as they take part in innovative lessons and create digital projects.

Maginnes Suite 3

Thursday 17th October 2019
